G. A. & J. P. CHAPMAN, Editors.

The State Sentinel will contain a much larger amount of reading matter, on all subjects of general interest, than any other newspaper in Indiana.

THE SEMI-WEEKLY EDITION Is published every Wednesday and Saturday, and during the session of the Legislature, three times a week, on Tuesdays, Thursdays and Saturdays, at Four Dollars a year, payable always in advance.

THE WEEKLY EDITION Is published every Thursday, at Two Dollars a year, always to be paid in advance.

\$1 in advance will pay for six months. 85 will pay for three copies one year.

* * Persons remitting \$10 in advance, free of postage, shall have three copies of the Semi-Weekly one year. \$2 will pay for six months. \$1 will always oe charged for the Tri-Weekly, and 50 cents for the Weekly, during the Legislative sessions.

ADVERTISEMENTS, will be inserted three times at one dollar a square of 8 lines, and be continued at the rate of 25 cents a square for each additional insertion. Quarterly advertisements, per square, \$5. All advertisements from abroad must be accompanied by the cash; or no attention will be paid to them. Postage must be paid.

From the St. Louis Reveille.

A Lyncher's Own Story. "I never fight when ungry, gentlemen."-JAMES BOWIE. quivering as the blood left it, after making an effort, "I go in for reprisals, gentlemen-by the eternal as it were, to recal the relaxed jaw to its duty, finally heavens, reprisals! Seize on abolition property in New Orles Natchez-wherever found. Seize on Yankee scoundrels themselves, and exchange them for our own kidnapped slaves-nigger for nigger, by thunder !"

This violent speech, delivered with savage energy by a thin, wirey looking man-one of a group collected around the stove in the "social hall" of a Mis-

like a rattle of small thunder, till an enormous fig-ure, in a white hat and blanket coat—yet withal, a head, and then, in quiet yet evidently pleased accents,

"Yes, Judge, that's the talk, I believe! Gentlemen, we'll take a little something."

would keep his seat, and the "drinks" should be and out it all came-with no thought of injuring her brought.

"Sit down, Colonel," cried the energetic Judge, emptying his mouth of a "chew," by way of preparation for "one more drink," and at the same time running his heels higher up the stove pipe-"sit down; this thing has got to be fixed between the

All resumed their seats, and the "drinks" were were lighted, it was evident that the subject had only plantations along the coast. Gentlemen, this is a Asthmas which have long defied every other remedy, got fairly under headway in the assembly. It was in mighty long story. Barkeeper-" the fall of 18-. During the preceding summer, a couple of slaves had been seduced and finally wrested from their masters by the Boston Abolitionists, and the numerous southerners then at the north, filled with violent indignation, gave vent to the most furious threats and denunciations. It is not intended here to argue, or even comment upon the vexatious question of slavery, but simply to sketch a few features and incidents of southwestern character and

It was a cold and rainy night, the steamer plunged along amidst dense shadows, in which the unpractised eye could not even distinguish an outline; the main cabin was spread with mattresses, and the pernight of it.

"Yes, gentlemen," resumed the fiery Judge, "it made up a subscription, was moved off towards the may seem like a desperate doctrine, but what except desperation is left us; the crisis must come! My niggers, who shall cry shame on Louisiana, should ing on the ground, too spent to exhibit a spasm,she retort upon their ships ?"

Another cheer of approval, further stimulated the speaker, who rushed into a vehement relation of several other Abolition outrages, which led to certain stories of southern vengeance upon abolition agents; a sort of vindictive phrenzy spread among the company; fresh drinks were called in; "lynching" was age enjoyment which promised a rough fate for the possible to his hearers;—while it in no respect exnext tract distributer who might be caught by any of hibited nervelessness, there was not a flash of pas- Bilious Fevens.—A number of physicians of this 50 doz French harps,

During this time the "Colonel," though evidently of kindred sentiments with the company, had preserved his equanimity; he smoked his cigar deliberately, listened to the different speakers with an assenting correct, gentlemen," but finally, after the relation of brows, betrayed a softer nature,—at any rate, more a retaliating capture and execution under horribly sensitive nerves. exciting circumstances, he, in mild tones, and with an aspect that indicated any thing but ferocity, signified his intention to relate "a little circumstance,"

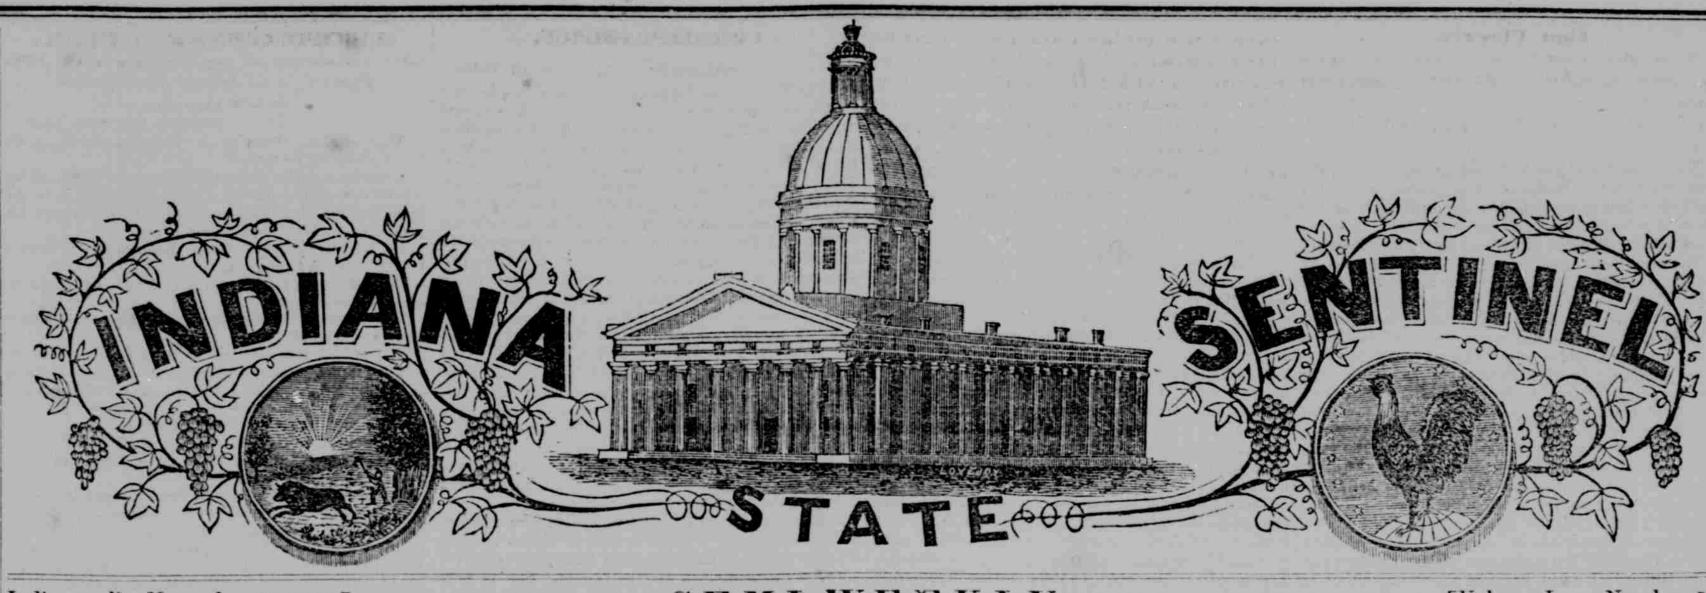

"I'm not a passionate man, gentlemen," said he, drawing up his legs slowly, and adjusting his vast bulk in the chair ;-"I'm rather a calm man, and apt to bear putting upon, rather, but I go in for Lynch law, some, for all that. I had a little case of my own with one of these abolition gentlemen, once, and I acted up to the law fully-on my honor, I did, gentlemen. I am a family man, gentlemen, and a friend who comes to see me, or a stranger wishing to put up, if an honest looking white man, always finds my house his home while in it. I keep servants to wait on them, purposely, I do, gentlemen, and treachery under such circumstances is a mean thing-it's not a white man's act, gentlemen." An emphatic accent was expressed on all hands. "Well, I lost two boys, valuable servants, gentlemen, by entertaining wolves one who called, should be punished, some, and I did hid amongst the light boughs of the top, and the loose who called, should be punished, some, and I did hid amongst the light boughs of the top, and the loose n't wait long, for, somehow, they had got the hang of end of the rein was made fast in a second. 'One inmy house, gentlemen, and took advantage of my temper. A very polite stranger, with his wife and a "dearborn," came along;—he had something, howevto the ground, and the nigger thief, with a jerk that

DEMOCRATIC PRINCIPLES and Measures.

A simple and frugal Government, confined within strict Constitutional limits. A strict construction of the Constitution, and no as-

sumption of doubtful powers. No National Bank to swindle the laboring popula-

No connection between the government and banks. A Diplomacy, asking for nothing but what is clearly right and submitting to nothing wrong. No public debt, either by the General Government, or by the States, except for objects of urgent neces-

No assumption by the General Government of the debts of the States, either directly or indirectly, by a distribution of the proceeds of the public lands. A Revenue tariff, discriminating in favor of the poor consumer instead of the rich capitalist. No extensive system of Internal Improvement by

A constitutional barrier against improvident State The honest payment of our debts and the sacred preservation of the public faith. A gradual return from a paper credit system.

the General Government, or by the States.

No grants of exclusive charters and privileges, by special legislation, to banks. No connexion between Church and State.

No proscription for honest opinions. Fostering aid to public education.

A "progressive" reformation of all abuses.

Proposals for American Water-rotted

Hemp. NAVY DEPARTMENT. BUREAU OF CONSTRUCTION, EQUIPMENT, &c. SEALED PROPOSALS, endorsed "Proposals for hemp," will be re eived at this bureau until the 15th December next, for delivering one hundred and fifty tors of Smerican water-rolled homp, at such storeliouse in each of the cities of Louisville, Kentucky, and St. Louis, in Missouri, as may be designated by the United States bemp agent at those places; the deliveries to be made between the first day of March and the first day of July,

1c46, and accompanied by satisfactory evidence that it has been water rotted in the usual manner. The homp must be thoroughly dressed, cleaned, free from shivers, and must not lose more than sixteen per cent of tow and waste when hatchelled, to the satisfaction of the inspectors, ready for spinning. Its strength must be such, that a rope of one and three-fourtles of an inch in circumference, made from twenty-one. yarns, as prepared and tested by the inspectors, or by their direction, will bear at least four thousand two hundred pounds; and

For the hemp which may pass inspection and he received by within thirty days after the presentation of the buils to such hav agent as may be agreed upon by the chief of this bureau and the

contractors. Persons offering, must offer for at least thirty tone, and must state the price (written in words at length) asked per ton of 2,240

formance of the offers, if they should be accepted, Bonds to one-half the amount of the contracts which may be made, with two good and sufficient sureties, will be required for their faithful execution, in addition to a deduction of ten per cent. from all bills which may be approved and paid before the completion of the contracts, which will be retained until they are fully completed, in all respects, according to their terms.

Offers must be made in strict conformity with the terms of this If contracts are not executed within five days after they have bureau will consider itself at liberty to offer it to the next lowest

REAL ESTATE AGENCY, And Architectural Office.

real property, offers his services to the community in that capacity.
